HOW TO DEAL WITH THE UNEXPECTED

People will try to massive promote products, services and more inside your group. The goal is not **LOOKING** like a **FLEA MARKET** but more like a community with the hands on touch from sales representatives or weekly posts for services. Check out my facebook **GROUP [HERE](#)** if you are interested in **TECH JOBS**

Want to learn more about affiliate marketing and partnerships? Check out the digital Real estate course and facebook Group for students [HERE](#). You can also check out free affiliate marketing guide [here](#)

Don't over think it. What do you talk about daily? starbucks, food places and countless clothing companies folks tag on social media. look at all the football promotions from fall. You are daily referring countless things daily. Why not partner and get paid.

ASK FOR SUPPORT FROM YOUR TRIBE

Keep it simple ask your audience, facebook group what are they looking for. 9 times out of 10 they will ask you the same 18 questions over and over again. I have built a robust career out of creating events, partnerships and affiliate marketing from asking my audience along the way. Also study trends vs evergreen content options.
